

COVID-19 DASHBOARD

The Huron School District will share an updated COVID-19 Dashboard graphic each Friday afternoon with current positive cases of staff and students while in school.

Due to regulations, including the Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA), no personal information will be given.

When HSD administrators receive notification of a positive case, they connect with the county health department who traces, and directly contacts those in close contact of that person. Huron Schools will notify the school family of the case and the actions taking place.
